Our sessions are from 8 am to 6 pm

We charge less for Mondays and Fridays, for full day sessions, this accumulates over the year to compensate for Bank Holidays and staff training closures.

Discount: We offer a 10% discount for children attending 5 days per week (standard rate applied); we also offer discount for siblings (a 5% discount is applicable for the older child, when both children attend 4 days or more per week).

Fees are charged monthly at a standard monthly fee averaged over the year. The amount is calculated by multiplying the number of weekly sessions by 52 weeks then divided by 12 months.

The **minimum session** is 3 full days per week.

Change of booking pattern is with one month's written notice and subject to availability. If a child starts mid-month their first invoice will be adjusted to actual days for that month.

Government Funding: term time only (38 weeks per academic year)

We stretch the 38-week funding over the year. The entitlement will be credited to your account each month and deducted from your monthly invoice.

* From September 2025, the 15 hours funded childcare will be increased to 30 funded hours per week.

Please note that the funding contributes towards basic childcare and does not include meals or additional services.
